

## DNA My Dog -- 2019 Holiday Mailing Guidelines

Please take note of the following dates to ensure you get your  
**DNA MY DOG** tests in time for the holidays!

**To receive a testing kit in the mail by December 25:**

US & Canada:

*Regular mail:* Order by December 16

*Express shipping:* Order by December 20

International:

*Regular mail:* Order by December 9

*Express Shipping:* Order by December 15

**To receive your emailed final results by Christmas**

US & Canada: Order your kit by November 25, regular mail, December 2, express.  
Samples must be received by us by December 9 to ensure Christmas results.

International: Order your kit by November 18, regular mail, November 20, express.  
Samples must be received by us by December 9.

*Please note: While we can control our amazing service and the wonderful results you will receive, we are not able to control the mail. We will make our best efforts to ensure we meet your deadlines but please allow ample time for ordering and for sending back your samples. Holiday mail can be slow -order soon and take advantage of the everyday free shipping option!*
